In our role as a Business Associate we collect, use, and disclose PHI to provide services for or on behalf of health plans. For more information about how PHI is used and disclosed, please review the applicable health plan’s Notice of Privacy Practices.

For more information about how non-public personal financial information is used and disclosed, please review the GLBA Notice provided by the financial institution that issued the clients’ policies or products.

This Privacy Notice applies to personal information that is not covered by HIPAA or GLBA.
